Parish Council website: www.branxtonvillage.weebly.com

Bus Service

This service was reduced due to the very low passenger usage at the request of Border buses. It is however still available "at request" so if a passenger wants to travel then they can ring the night before and book the bus to call into the village.

Also, the 266 that Glen valley runs is on a Wednesday. It leaves Wooler at 09.10 and 11.25 return. The full timetable can be seen on the web site. If this is something that people would want, then we can discuss but like everything we would need to see usage.

County Councillor Mark Mather will continue to work with the Parish Council on this subject.

ALL PARISH COUNCIL MEETINGS ARE OPEN TO MEMBERS OF THE PUBLIC TO ATTEND
