YOUR PARISH COUNCIL NEEDS YOU

Branxton Parish Council is currently looking for 2 Parish Councillors

If you live or work within Branxton Parish or live within 3 miles of the Parish boundary and would like to be a voice for the local community, please consider becoming a Parish Councillor.

County Councillor Mark Mather says:

Parish councils are an important part of our community and a way to voice rural concerns to the county council. Having been a Parish Councillor myself for several years I have seen first-hand much a parish council can do. Working in conjunction with myself we have been able to achieve things like path and road repairs and to highlight where we would like to improve safety concerns. Branxton is very fortunate to have a parish council, a village hall committee and a playground committee. If all three work together it can only be for the good of the community and all groups can bring something different to the table.
